

CERTIFICATE OF CONFORMITY

EN1279 – 6.3 : Leaded Light Strip Adhesion

Prepared For – Domini Glass Centre

Scope: This Certificate of Conformity covers all flat and oval lead profiles manufactured by Regalead, in Natural, Brass, Antique, and Ebony finishes.

Duration: This certificate is valid from **1st Nov 2018**, to **31st Oct 2021**.

Method: Regalead, under the operating processes documented in our ISO 9001:2008 procedures, confirm that those products listed in the scope are tested to EN1279-6 2002 Standard, and exceed the requirements listed below.

Peel – min 30 minutes adhesion to the glass, and
Shear – min of 2 hours adhesion.

(please note that although this test standard is primarily carried out on 9mm lead, all other widths Supplied will be covered proportionately; in accordance with the test method.)

A handwritten signature in black ink, appearing to be 'G. Bywater', written over a light blue rectangular background.

Gary Bywater
Quality Assurance Manager

Issued **Nov 2018**
